

2023 School Improvement Plan Summary

Woomera Area School

Goals	Targets	Challenge of Practice	Success Criteria
<p>Increase number of students achieving SEA and higher bands in Numeracy</p>	<p>2022: 5 of 7 (71%) students will meet SEA with 2 of 7 (29%) in the higher bands.</p> <p>2023: 75 % students will meet SEA with 25% in the higher bands.</p> <p>2024: 75 % students will meet SEA with 25% in the higher bands.</p>	<p>If we use student learning data to design quality lessons and use high impact teaching strategies to deliver learning, we will increase the number of students achieving SEA and the higher bands.</p>	<p>We will see each student referring to the learning intentions and success criteria and critically assessing their own learning and identifying their next steps. We will observe students' increasing knowledge, skill and understanding in work samples.</p>
<p>Increase number of students achieving SEA and in higher bands Writing</p>	<p>2022: 5 of 7 (71%) students will meet SEA with 2 of 7 (29%) in the higher bands.</p> <p>2023: 75% students will meet SEA with 23% in the higher bands</p> <p>2024: 75% students will meet SEA with 23% in the higher bands</p>	<p>If we explicitly teach daily writing (vocabulary, grammar, sentence structure, genre) we will increase the number of students achieving SEA and reaching the higher bands.</p>	<p>We will see students transfer skills from oral to written texts. Students will independently write texts using appropriate vocabulary, sentence structure, grammar and genre. When we moderate writing samples, we will see students writing increasingly extended texts improving vocabulary range and developing more complex sentence structures. We will see an increase in students writing skills in all genres.</p>
<p>Increase number of students achieving SEA and higher bands in Reading</p>	<p>2022: 5 of 7 (71%) students will meet SEA with 2 of 7 (29%) in the higher bands.</p> <p>2023: 75% students will meet SEA with 23% in the higher bands</p> <p>2024: 75% students will meet SEA with 23% in the higher bands</p>	<p>If we explicitly teach The Big 6 we will increase the number of students achieving SEA and higher bands in reading.</p>	<p>Students can clearly use and articulate their learning intentions and success criteria.</p> <p>Students can describe the reading strategies they are using.</p> <p>When we test students, they will show improvement in comprehension.</p>
